

SCAS - ASA Important Annual Sign Off Documents

Kim, I've seen enough replies about the ASA documents to constitute a quorum vote. Please communicate to ASA that SCAS has our own policies, so we don't need to sign theirs.

Thank you. And thank you, Board colleagues also.

Hello, SCAS Board Colleagues,

I look forward to seeing you all at our annual meeting, and quarterly Board meeting, on Saturday, Nov. 15.

We have one item of business that needs action prior to our November meeting.

Autism Society of America (ASA) has sent a set of policies, requesting signoff by the end of October at latest. Board attorney (and member still!) Erik Norton recommends that we instead communicate to ASA that SCAS has our own policies and we have no need to sign ASA policies. Erik also recommends that the Board approve Kim or Board chair communicating this message to ASA.

So, we need a motion, second and vote on communication with ASA regarding organization policies.

Please "reply all" with your response to this message.
